- b. Such bonds shall conform to the forms provided with the Bid Documents and be completed in accordance with the instructions thereon; and

The Contractor shall procure and maintain during the life of this Agreement, Workmen's Compensation, Public Liability, Property Damage, Automobile Liability insurance and any other insurance necessary to satisfy the requirements of the Agreement Documents.

10. RIGHT TO REJECT BIDS

The County reserves the right to reject any or all bids and to waive informalities. No bids will be received after the time set for opening bids. Any unauthorized conditions, limitations or provisions attached to the Bid, except as provided herein, will render it informal and may cause its rejection. Unbalanced bids will be subject to rejection. Any bidder may withdraw his/her bid, either personally or by telegraphic or written request, at any time prior to the scheduled closing time for receipt of bids. Telegraphic or written requests for withdrawal must be in the possession of the County prior to the closing time for receipt of bids.

11. APPLICABLE LAWS

All applicable laws and regulations of the State of Georgia and ordinances and regulations of Fulton County shall apply. Protestors shall seek resolution of their complaints in the manner provided in the Fulton County Code of Laws §2-324, which is incorporated by reference herein.

12. EXAMINATION OF CONTRACT DOCUMENTS

Prospective bidders shall examine the contract documents and before submitting a bid, shall make a written request to the County for an interpretation or correction of any ambiguity, in consistency or error therein which could be discovered by a bidder. At the bid opening each bidder shall be presumed to have read and be familiar with the contract documents.

13. BID EVALUATION

- a. Each Bid timely received and in the County's hands at the time set forth for the Bid opening shall constitute an offer to perform the Agreement on the terms and conditions thereof, in strict accordance with the Agreement documents, and all other requirements, all for the Bid total. For good cause and valuable consideration, the sufficiency of which is acknowledged by submittal of a Bid, each Bidder promises and agrees that its Bid shall be irrevocable for a period of **sixty calendar days** after the Bid opening and will not be withdrawn or modified during that time. The County may accept any Bid by giving the Bidder Written Notice of acceptance during that time. If necessary, the period of time specified may be extended by written agreement between the County and the Bidder or Bidders concerned.
- b. After the Bids have been opened and before any award is made, the County will evaluate the Bid process, the Bid total, the supplements to the Bid form, Bidder's experience, proposed Subcontractors and equipment manufacturers and other data relating to Bidders' responsibility and qualifications to perform the Agreement satisfactorily.
- c. All extension of the unit prices shown and the subsequent addition of extended amounts may be verified by the County. In the event of a discrepancy between the unit price bid and the extension, the unit price will be deemed intended by the Bidder and the extension shall be adjusted. In the event of a discrepancy between the sum of the extended amounts and the bid total, the sum of the extended amounts shall govern.
- d. Bidder may be required to submit, in writing, the addresses of any proposed Subcontractors or Equipment manufacturers listed on the Bid, and to submit other material information relative to proposed Subcontractors or Equipment manufacturers. The County reserves the right to disapprove any proposed Subcontractor or Equipment manufacturers who's technical or financial ability or resources or whose experience are deemed inadequate.
- e. The County reserves the right to reject any Bid the prices of which appear to be unbalanced, and to reject any or all Bids, or parts thereof, if it determines, in its sole discretion, that such rejection is in the best interest of the Commission. Where only a single responsible and responsive Bid is received, the County may in its sole discretion, elect to conduct a price or cost analysis of the Bid. Such Bidder shall cooperate with such analysis and provide such supplemental information as may be required. The determination whether to enter into an Agreement with such sole Bidder shall be solely within the County's discretion and not dependent upon performance of a price or cost analysis.
- f. Bids will be evaluated on the basis of determining the lowest Bid total of a Bidder, not including alternates, whose Bid is responsive to the Invitation to Bid and who is determined to be technically, financially and otherwise responsible to perform the Agreement satisfactorily, and to meet all other requirements of the Bidding Documents relating thereto. Any Bid may be

rejected if it is determined by the County to be non-responsive, provided, however, that the Commission reserves the right to waive any irregularities or technicalities which it determines, within its sole discretion, to be minor in nature and in the interest of the public. Furthermore, any Bid may be rejected if it is determined by the County, in its sole discretion, that the Bidder is not capable of performing the Agreement satisfactorily based upon review of its experience and technical and financial capabilities, or the failure of such bidder to provide information requested relating to such determination. Additionally, the County reserves the right to disqualify Bids, before and after the bid opening, upon evidence of collusion with intent to defraud or other illegal practices upon the part of any Bidder(s).

- g. The County intends to award the Agreement at the earliest practicable date to the lowest responsive, responsible Bidder(s), provided that the Bid is within the funds available for the project. In addition, the Commission reserves the right to reject all Bids if it determines, in its sole discretion, that the public interest will be best served by doing so.
- h. A Pre-award Conference may be conducted with the apparent low Bidder(s) to review general requirements of the Bidding Documents.

14. AWARD CRITERIA

- A. **Responsiveness:** The determination of responsiveness will be determined by the following:

As soon as possible, and within sixty (60) days after receipt of bids, the County shall notify the successful Bidder of the Award of Contract.

The award shall be made by the Board of Commissioners of Fulton County to the lowest responsive, responsible bidder(s) as soon as possible after receipt of bids, taking into consideration price and the responsiveness to the requirements set forth in the Invitation for Bid. In such case, no claim shall be made by the selected Contractor(s) for loss of profit if the contract is not awarded or awarded for less work than is indicated and for less than the amount of his bid. The total of the awarded contract shall not exceed the available funds allocated for this project.

Should the County require additional time to award the contract, the time may be extended by mutual agreement between the County and the successful bidder. SECTION 3 SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

The library purchases fiction and non-fiction for adults. That includes popular fiction and non-fiction but also titles from small, specialty or academic presses, reprints of classic titles, prepublication titles from popular authors, trade paperbacks, mass market paperbacks, and reference titles. The library seeks titles across the entire Dewey range of non-fiction. In adult fiction, the library collects popular fiction, local authors, the major genres, large print, urban fiction and African-American fiction.

The library purchases fiction and non-fiction for juvenile and young adult readers. In non-fiction, the library buys books across the entire Dewey range, but especially titles that support the school curricula and reading lists, African-American history and biography, and college prep materials. In fiction, the library buys the entire range of juvenile and YA fiction, focusing on popular juvenile authors and series, African-American subjects and authors, as well as picture books, board books, easy readers, graphic novels, and classics for all grade levels.

We seek a vendor(s) with an inventory of adult, young adult and juvenile fiction and non-fiction (in all Dewey ranges) large enough to supply the range of books described above. The inventory must include sufficient in-stock quantities of both older titles and new releases. The vendor must have a website through which the library can select and order books, including pre-publication books. The vendor must be able to catalog and process books according to library specifications as presented in this bid document.

TECHNICAL SPECIFICATIONS

A. Inventory, Selection, Ordering and Support:

The library must be able to use the Respondent's website both to select and to order these books. The following specifications apply to both adult and juvenile/YA books, unless specifically stated to apply only to one or the other:

1. The website must feature a database of books that is searchable by author, title, subject, format, date of publication, publisher, ISBN, price, print run etc. or any combination of those search terms. The entry in the database for each title should include access to reviews of the titles, basic bibliographic information, and relevant information like the size of the book's print run, any special media tie-ins etc.
2. The website must provide access to selection tools, such as lists of forthcoming high demand prepublication print titles, lists of honored or recommended books etc.

3. The website must show the real-time inventory of these books – the number on order or in stock. In-stock inventory must include hardcover, trade and mass market paperback, easy, picture and board books, series paperbacks, reference, fiction and non-fiction in all Dewey ranges in sufficient quantities to supply even multiple copies of each title. The inventory must cover product from the entire spectrum of publishers, including trade, academic and small presses and specialty publishers.
4. The website must also provide a duplicate check function and the ability to download orders to a spreadsheet as well as print them.
5. The Respondent must be able to provide on a regular basis selection lists or carts that are customized to the library's specifications or profile. Titles that appear on one selection list may not appear on any other selection list over the course of the year. The lists must be age-specific, with no overlap between juvenile and teen/young adult. ***AFPLS defines Juvenile as pre-school through age 12 and Young Adult as ages 13-19.***
6. The Respondent must be able to create multiple log-ons and passwords for up to 125 selectors, as well as for the account administrator. All orders from selectors will be sent to the Respondent from the account administrator.
7. Carts and lists must support centralized selection, i.e. permitting orders for multiple agencies for each title simultaneously, as well as permitting selectors to indicate whether this is to be processed as adult, juvenile, YA, reference, easy, or picture.
8. The library must be able to place orders via the Respondent website, including assigning a purchase order and account number, and transmitting the order to the Respondent. The library currently uses the following accounts for its book ordering:
 - a. Processed (separate accounts for adult, juvenile & YA processed)
 - b. Product only (separate accounts for adult, juvenile & YA product only)
 - c. Foundation grant product only
 - d. Foundation mini-grant product only
 - e. Various others, reflecting different library fund accounts for special projects. The Respondent must be able to create separate fund accounts for these and all of the above.
9. The Respondent must provide weekly reports showing, by branch, items ordered, shipped, back ordered and not yet published. There must be a separate weekly list of cancellations and reason for cancellation, by

branch. Note: ***All back orders are automatically to be cancelled after 90 days.***

10. The Respondent must accept personal orders for staff at the same discount offered to the library.
11. The Respondent must provide a project manager who will work closely with AFPLS Collection Management staff. A resume of the project manager should be included in the Respondent's proposal. The project manager must:
 - a. Have the authority to implement any changes to cataloging or processing specifications as requested by the library
 - b. Respond to calls and emails within 24 hours
 - c. Arrange regular conference calls or meetings to take feedback from Collection Management staff

B. Processing and Cataloging

AFPLS reserves the right to make amendments to any part of the specifications listed in this bid, as the need arises, based on changes in technology, software, MARC format, AACR2, OCLC, Dewey Decimal Classifications, ILS, or the method by which AFPLS catalogs/processes materials. The Respondent will be notified in writing via email of these changes and must agree to adjust their specs accordingly, within five (5) business days. Once the changes have been made, the Respondent must send the updated copy, via email, to the AFPLS project administrator (to be identified) for a signature as confirmation that the requested amendments were made and that they will be implemented upon receipt of said signature.

Respondent must be able to provide MARC catalog records with appended holdings fields that can be loaded, indexed and retrieved by AFPLS' ILS, which is currently SIRSI Symphony, 3.4.1. Respondent must have exported and loaded bibliographic records, with appended 949 holdings creation fields, to be considered for selection.

1. Respondent must provide the processing supplies needed for the shelf-ready services being provided, including the following:

SECTION 6

CONTRACT COMPLIANCE REQUIREMENTS

NON-DISCRIMINATION IN PURCHASING AND CONTRACTING

It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners ("Board") that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board without regard to the race, color, gender or national origin of the ownership of any such business. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors or vendors seeking to obtain contracts with Fulton County.

Implementation of Equal Employment Opportunity (EEO) Policy

The County effectuates Equal Employment Opportunity thru Policy #800-8, Non-Discrimination in Contracting and Procurement. This policy considers racial and gender workforce availability. The availability of each workgroup is derived from the work force demographics set forth in the 2000 Census EEO file prepared by the United States Department of Commerce for the applicable labor pool normally utilized for the contract.

Monitoring of EEO Policy

Upon award of a contract with Fulton County, the successful bidder/proposer must complete an Equal Employment Opportunity Report (EEOR), describing the racial and gender make-up of the firm's work force. If the EEOR indicates that the firm's demographic composition indicates underutilization of employees of a particular ethnic group for each job category, the firm will be required to submit an aggressive action plan setting forth steps the firm will take to address the identified underutilization.

DETERMINATION OF GOOD FAITH EFFORTS

During the course of the project, the Prime Contractor shall demonstrate that they have made all efforts reasonably possible to ensure that Minority and Female Business Enterprises (MFBE) have had a full and fair opportunity to compete and win subcontracts on this project. The Prime Contractor is required to include all outreach attempts that would demonstrate a "Good Faith Effort" in the solicitation of sub-consultants/subcontractors.

Written documentation demonstrating the Prime Contractor's outreach efforts to identify, contact, contract with or utilize Minority or Female owned businesses shall include holding pre-bid conferences, publishing advertisements in general circulation media, trade association publications, minority-focused media, and the County's bid board, as well as other efforts.

Include a list of publications where the advertisement was placed as well as a copy of the advertisement. Advertisement shall include at a minimum, scope of work, project location, location(s) of where plans and specifications may be viewed or obtained and trade or scopes of

work for which subcontracts are being solicited.

EQUAL BUSINESS OPPORTUNITY PLAN (EBO PLAN)

In addition to the proposal submission requirements, each vendor **must** submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent **must** outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The EBO Plan **must** identify and include:

1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups.
2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in *this solicitation*.

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

Prompt Payment: The prime contractor **must** certify in writing and **must** document all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors, sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payment within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

REQUIRED FORMS AND EBO PLAN

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), bidders/proposers **must** submit the following completed documents. Failure to provide this information **shall** result in the proposal being deemed non-responsive.

- Exhibit H – First Source Jobs Program Information, Form 2

The following document must be completed as instructed if awarded the project:
